TICK SEASON & LICE

Please check your child regularly for ticks; especially his/her head after outdoor play! If you are unsure about lice, please stop by the office.

BEECHWOOD ART SHOW & OPEN HOUSE

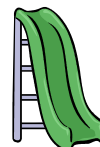

All are encouraged to tour the school on Wednesday & Thursday, April 10 & 11. Parents and their guests may tour at drop off and/or pickup times. Also, the art show will be available to view from 9:30AM until 12:30PM for families not presently enrolled, or for our present Beechwood families who cannot view during drop off or pick up times. *Please invite your friends or neighbors to stop by during these allotted times.* The children are anxious to show you their masterpieces!

PLAYGROUND

Many families like to have their children play in our yard after 1:00pm or late afternoon pickup.

- I) After our 1:00pm pick up, all children and their parents are asked to play in the **2nd yard**. Children are at rest in Mrs. Rutkowski's room next to the first yard. Hearing their friends play makes it difficult.
- II) **Please** have your child try to use the bathroom **before** heading to the playing yard.
- III) Finally, *at all times, a parent must be in the yard with their child.*

Children are to follow Beechwood's playground rules, for example, no climbing on the roofs of the fire truck or fort, and use the slide one at a time on their bottoms etc...

Thank you for your cooperation in these matters.

LAST CALL FOR SUMMER REGISTRATIONS!!!

ALLERGY ALERT

Due to student allergies we are a **nut free school**. Please read label when sending snacks to school. Please send only foods that are nut free and have NOT been manufactured in a plant that manufactures nuts. Thank you!

FAMILY SHARING

We would like to thank all of our families and or past graduates who have taken the time to come into Beechwood and share a story, project, pet, etc.... The children enjoy having special guest and look forward to showing off their friends and family!
