COVID 19 PROTOCOLS

The staff wishes to thank all of our families for your support with Beechwood's protocols. The caution you take daily before sending your child to school is appreciated.

If your child develops a temperature of 100.4 degrees or higher, the child may only return to school 72 hours after the fever breaks and no fever reducing medication is required.

If your child develops sniffles, cough or cold symptoms please monitor your child at home for at least 24 hours for signs of additional or worsening symptoms.

Please call our office with any questions.

*****INDIVIDUAL PORTRAITS*****

Maggie Capp from **Impact Studios** will be taking individual pictures on Wednesday, Nov. 11. **Families should have received a green information sheet with a white envelope. Extra packets are available in the office.**

- *All interested children will have pictures taken on Wednesday, November 11.*

2021-2022 REREGISTRATION

Thank you to all our families for your support. Your cooperation is one of the reasons that the school year is going well thus far. Beechwood will be beginning "in house" reregistration and sibling registration on December 1. Look for more information to follow.

PARENT/TEACHER CONFERENCES

Please check your child's teacher DoJo or means of communication to sign up for a conference.

The time our staff takes in scheduling is appreciated. Teachers often come to school early or return late in the afternoon to accommodate parents' schedules. Please be punctual and keep your appointment. It is also necessary to adhere to the time constraints so people are not waiting around for their turn. If you wish another meeting may be arranged also.

Missed conferences will only be rescheduled during the teacher's regular hours.

Nov. 2	Mrs. Angevine
Nov. 9	Mrs. Rutkowski
Nov. 16	Ms. Tanya & Mrs. Bier
Nov. 30	Ms. Marita & Mrs. Dee

IMMUNIZATIONS

It is a New Jersey State Law that all children in a pre-school or kindergarten setting **must** be immunized. Please be sure that our office has an updated shot record by **NOVEMBER 25**. At that time, the state will be confirming that Beechwood School is in compliance. **Also, children up to 60 months MUST provide proof of a flu vaccine or a note stating exemption.**

EXTRA CLOTHES

With the change of seasons, we are asking parents to please send in a fresh set of **extra clothes** that has a long sleeve shirt, pants, socks and underpants. The staff will put the lightweight extra clothes in your child's backpack.

The office supply of extra clothes is running low. If by chance, you're looking to pass on some pants or shirts sizes 4T and larger, please think of Beechwood. It would be greatly appreciated!

DRIVEWAY ISSUES

Please do not back all the way up our driveway to the street or make a "K" turn at the foot of our driveway. Both practices are dangerous and serve as a potential hazard. We realize at certain times driving and parking is tight, but for children's safety and to avoid fender benders, please proceed slowly. Drive forward and turn around at the end of the street (but not in the neighbors' driveways). Finally, if you wait a few minutes there are usually spaces available in the lot. Thank you!

REMINDER:

Check your child regularly for ticks & head lice.

VETERANS DAY, NOVEMBER 11

NAP BAGS

New Jersey licensing has made it mandatory for all nap items to be placed in a bag for daily storage. The BEECHWOOD SCHOOL BAGS may be used for this. They are available for \$10 at the office. Otherwise, please send your child's nap items, even mat rolls, in a labeled bag. Thank You.
