The End of 2020-2021 School Year – June 18

The staff would like to thank all of our parents for your wonderful support this school year. Everyone will remember this year forever. Once again you have made this time at Beechwood School a rewarding experience for all the people who work with your children throughout the day. We wish your family a safe and happy summer.

If June brings your family to the end of our school relationship, we wish you and your child the best of luck in future endeavors. We will miss our graduates and hope that they will come back to visit us. Feel free to contact us if we can be of help.

We look forward to our summer camp beginning June 21st. Unless a vacation was scheduled, there is no break between the school year and camp.

For our families who will not be returning until the fall, we will be looking forward to seeing you on September 8. Information about the fall term and your new tuition statement has been mailed. Your first installment for the 2021-2022 school year will be due by June 10. Please contact the office if you have not received a packet.

Summer Session

Monday, June 21 begins our summer session. Tuition was due June 1st. We appreciate the consideration you gave in planning your child's summer schedule.

Parent Evaluations

Attached please find a Parent Evaluation Form. The administration and staff would appreciate your input. Kindly complete and return the form to the designated box in the upper hall by June 15. Thank you in advance for your time. It will help us to continue to learn and grow.

Best Wishes

The end of the school year will bring us a time to bid a tough goodbye. Emily Angevine will begin her new life in retirement. Beechwood has been fortunate to have benefitted for seven years from Emily's expertise in teaching four & five year olds. She is a caring and "hands on" teacher who has helped children develop the love of learning.

Emily's daughter is now a college graduate and Emily plans to have more time to visit her mother and extended family in Kenya. She and her husband, Phil, also hope to have time to travel.

Beechwood wishes Emily the best!

Travel Advisor

New Jersey continues to implement a travel advisory for all unvaccinated individuals who travel outside of our neighboring states. Since our children, attending Beechwood, are not able to be vaccinated this regulation would apply to them.

After travel outside the neighboring states, children must quarantine until receiving a negative result from a PCR test. Tests should be given 3-5 days after your return. For children not receiving a PCR test, they must quarantine for 10 days.

Beechwood is sorry for any inconvenience these regulations may cause, but we must abide by NJ's Covid requirements.

FYI - OLL still require masks at childcare settings

2022-2023 Registrations will soon be available for children 2 years old by March 2022.

Tick Season

Please check your child regularly for ticks both after school and at home all during the summer months!

Thank you for your support and have a great summer!

Sincerely, Marge McElroy & Sue Hagan
