

June Newsletter

Dear Parents,

In a few short days, our year is done.

We had such good times and lots of fun.

We danced and sang and marched to a beat,
This made the school year really neat.

Through the Winter, Spring and Fall,
We learned about the seasons and had a ball.

Art projects were a big success,
Especially when there was a mess!

Each child is special and so dear,
And we will miss them with a tear!

Have a Wonderful Summer,
Mrs Ehrlich and Mrs Colwell
