

June Newsletter

Mrs. Rutkowski & Ms. Janine
Beechwood School

Can you believe it's June? I guess time really does fly when you're having fun. We have had a lot of fun this year and we're not finished just yet. In these last days we will finish up numbers closing our unit on Math. We will have a few fun lessons then on such units as Bees, Father's day, and of course, the Seashore.

On Thursday, June 5, 6:30 PM, we will present our end of the year program to our Immediate* families. It will be an informal gathering; the children will perform songs from the year with refreshments after. There will be a presentation of Beechwood completion certificates. (There is no mention of Kindergarten in our room since not all children at this level go to Kindergarten, please be aware and be considerate.) Please be sure to **bring folding chairs or blanket** to sit on; we hope to be outside on the front lawn. Don't forget camera or camcorders!

Please bring in signed up items in ASAP if you have not.....except for baked goods.

We are celebrating Summer birthdays all together, Thanks to All the moms. Our last day of school is Monday, June 16.

Ms. Janine and I would sincerely like to thank you for a good year and for sharing your children with us. We believe each one of them has grown individually, academically, and socially.

Have a happy and safe summer!

*i.e. parents & siblings.
