

February 2018 Beechwood Newsletter

We have been working very hard on the alphabet. The children seem to enjoy filling the letter bucket and showing all their findings to the class. We are also reading stories and doing projects that relate to the letter or letters of the week. Please help your child choose a show and share that begins with the letter of the week. We will continue to collect pictures the students bring in for our letter posters.

It's important to reinforce sound recognition on a regular basis. The class looks for things in the room that start with the Letter of the Week and enjoys snacks that begin with that letter. The children move on to activities by deciding which one of a word pair starts with the Letter of the Week. Please help your child gain confidence by doing these sorts of activities at home or while driving in the car to school.

We will be re-testing the students in their skills, and comparing these results with the autumn results. A conference time sign-up sheet will be posted at the end of February.

The Valentine's Day Snacks will be Feb 14th and 15th. Please check the sign-up sheet on the parent board. If your child wants to bring in Valentine's for his/her classmates, they should sign their name but don't address with friend's name. Thanks.

Sincerely,

Pat Ranshaw
BettyAnn Cloak
