

Beechwood School
Class 5 Newsletter
February 2018

February is here! This month we'll be discussing Groundhog Day, Valentine's Day, Dental Health, and Presidents' Day.

We also continue with our study of the alphabet and our "trips" around the world. We have had so much fun "visiting" new places, learning different time zones, new languages and foods etc.

The children are doing a wonderful job of writing their names. We continue to monitor which lower case letters seem to be giving the children a hard time and give it extra practice. They also have done a great job with their vocabulary.

Please be on the lookout for the sign-up sheet for our Ice Cream Valentine's Day/Pajama Party. All students are invited to the party on Wednesday, February 14th from 9:15-11:15. If you're sending in valentines treats for the party, please DO NOT write individual children's names, just have your child sign their name on them. We have a total of 21 students.

Conferences are right around the corner! Please look out for the sign-up sheet soon. Again, please let us know if the regular times aren't convenient and we'll work something else out. I'll be testing students again as well.

We did a great job learning our addresses! This month we are moving on to learn our phone numbers. Please practice at home.

Remember, no school on Monday, February 19th. (President's day)

Looking forward to another GREAT month!

Mrs. Angevine and Mrs. Schmincke
