

The Beechwood School

February Newsletter

Lots to learn in February! Will the groundhog see his shadow or will we get an early spring?!? This month we will continue with our letter/number recognition and writing. We will also learn new sight words - the students are doing a wonderful job recognizing our words. The class loves to point out sight words they find in our classroom books! If your child has a special book at home that they love to read/have read to them please send in to share.

We will also be discussing President's Day and learning about George Washington and Abraham Lincoln. All students are invited to our Valentine's Celebration on February 14th from 9:15-11:15; please bring Valentines for all classmates. If you would like to contribute to the party please see our sign-up list on the parent board.

Our February Show and Share will be Wednesday, February 7th and Thursday, February 8th. Please have your child bring in one item on either of those days to share with the class.

Have a wonderful February,

Mrs. Reali

Mrs. Farkas
