

Dear Families,

March 1, 2018

The month of March brings many exciting reasons to celebrate. We honor the birthday of Dr. Seuss, the beloved children's author. We enjoy the fun and beauty of St. Patrick's Day, eagerly welcome the first day of spring and observe the significance of Easter. Warmer temperatures and sunny skies are soon coming our way.

The children are progressing wonderfully socially, emotionally and academically. We are learning the importance of sharing, looking after our belongings and caring for others. Students are exploring colors, numbers, as well as shapes through exciting sensorial activities. Handwriting skills are developing such as proper grip, stroke, and letter formation. Note that parent/teacher conferences are scheduled for the week of March 26<sup>th</sup>. A sign-up sheet will be available shortly.

Our class will have an Easter celebration on March 26<sup>th</sup> and 27<sup>th</sup>. A donation sheet will be posted if you would like to contribute a special treat.

As always, feel free to reach out with any questions or concerns regarding your child.

Sincerely,

Miss Dana and Miss Colleen

---
