

The Beechwood School March Newsletter

Dear Parents,

February has flown by and believe it or not Spring is right around the corner.

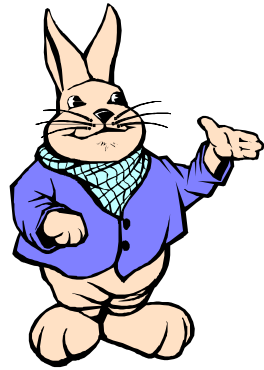

In February we discussed how important it is to eat nutritious food and brush our teeth. We also learned that in order to be healthy, not only do we have to eat fruits, vegetables, bread, and milk, we also have to exercise. The children had such a great time

with Oliver Twist – an exercise poem – that always got us giggling hysterically.

The children also learned about two of our famous Presidents, George Washington and Abraham Lincoln. We made George Washington’s Cherry Tree and we learned that Honest Abe loved to read.

In this marvelous month of March we will discover all the different things the wind can do. We will be making March music, baking delicious goodies, and will be working very hard on our Rainforest themed April art show.

The children’s intelligence and thirst for knowledge constantly amaze us, as we continue to review our shapes and colors, learn beginning sounds, constantly count everything, and practice spelling and recognizing both our first and last names. As we keep telling the boys and girls, “Each day you come to school, you get smarter and smarter.” And they do!

Happy Spring

Mrs. Ehrlich and Mrs. Dee

PS. Parent-Teacher Conferences will be held the week of March 19th. A sign-up sheet will be posted outside the classroom two weeks prior to the Conferences.
