

Mrs.Rutkowski & Ms.Janine March Newsletter

With March here, we are getting ready to meet spring and it seems as if it was just September. We will start off our work on Good Nutrition, trying new foods and learning about healthy bodies. There will be a sign up to bring in items all week

During March we will meet and greet Spring, and St.Patrick's day. The themes will include Rainbows, Rain, Leprechauns, Birds and nests, and all things Spring!! Easter is early so we will be squeezing in Eggs and Rabbits pretty quickly. WE will be having a Spring party, date TBA... please fill out RSVP below** and return to school or email me directly so we can pick a date.

Conferences are the week of March 5. I am looking forward to seeing you all and discussing your Childs growth this year.

As conferences are happening and the discussions of "Kindergarten" and or next year begin, please be sensitive to the fact that many of our class do not moves on to Kindergarten. Ms. Janine and I do not refer to "kindergarten" or anyone going, as much as "getting bigger" or "being five." The subject of moving on (when we have 3+ months) can cause anxiety for some children and hurt feelings for others. Thank you for your consideration.

On the subject of 5... Birthdays are starting! We celebrate in school with a crown and a snack during our regular class time. Please note that cubbies can only be used for invitations for ALL the class we would appreciate any other invites go to email or "snail mail."

We are having fun and playing but please do not underestimate how much we are learning. All of the children have begun to grasp concepts of rhyming, letter recognition as well as identifying numbers, counting, beginning letter sounds and letter concepts. We are continuously being impressed by their new discoveries and rising to challenges.

We are enjoying warmer weather but continue to send appropriate outerwear including hats and gloves and footwear as we continue to go outside for play as much as we can.

Will your child be able to attend a Spring party on Thursday, March 29

Yes _____ or NO _____?

IF No would they be able to attend on Wednesday 3/28 _____?

Please RSVP by March 9
