March 2018

Mrs. Angevine & Mrs. Schmincke

In February, we finished memorizing our addresses and everyone did a wonderful job! It's amazing what a little practice can do. We will start working on our phone numbers.

This month we'll be discussing Dr. Seuss's Birthday, St. Patrick's Day, Passover and Easter. We continue with our alphabet and around the world studies. We can't believe we're almost to the end of the alphabet! The children's vocabulary has really expanded and they enjoy having a new word each day to add on our white board. It's always uplifting to see them with their thinking caps on, trying to figure the words that start with the sound of the week.

We will not be having a party for St. Patrick's Day but we'll be doing plenty of "green" activities leading up to the day. If you'd like to send in a snack or join us for an activity, please let us know.

Conferences start the week of March 12th, if you are unable to meet that week please contact me to make special arrangements. I look forward to meeting with each of you.

Our spring brunch is scheduled for 28th March, school will be closed from March 30th for Easter and Spring break, we will re-open on April 9th.

Thank you so much for making our Valentines party a success. We always appreciate the donations. Thank you also to the parents/grandparents who have come to read or do projects with us, the children enjoy having "new" teachers from time to time. It breaks the monotony.
