

April 2018 Beechwood Newsletter

Dear Parents,

Linda and I hope that everyone enjoyed a well-deserved Spring Break with family and friends. Please remember to put your child's name in their spring jacket and remove any strings that may pose a choking risk should it become entangled on our playground equipment. Students should wear shoes and socks to school every day because of the wood chips on the playground.

Congratulations to James and the Sauter family on the birth of Michael on March 28th. Best wishes to all!

The class is still working hard on our introduction to the alphabet and getting ready for the Art Show on April 25th and April 26th. This year our theme is Animal Alphabet. Please feel free to spend some time with us on those two days enjoying your child's work and check out the other classrooms, too.

We will be sending their stars home prior to the Art Show. We will continue sending home the Letter Bucket and making our letter poster until the end of the year. Please feel free to sign up for a snack of the week on the Parent Board.

Happy Spring!

Pat Ranshaw
