

Class 5 Newsletter

April 2018

Mrs. Angevine & Mrs.Schmincke

Spring is finally here! It was a such pleasure to meet with you during the Parents / Teachers conferences and discuss your child's progress. We have an amazing group of children and we are so proud of them.

This month we continue working on our projects for the Art Show, which will be held on April 25th and 26th. The children continue to work so hard to create such beautiful art work so please plan to attend. Grandparents, neighbors, aunties and uncles are also welcome.

Our theme for the Art Show is "Celebrations around the World". We have "visited" so many places around the world and we cannot wait for you to see the wonderful experiences we had during our visits. The projects we have been working vividly capture these experiences.

This month we'll be discussing signs of Spring and Earth day. We are almost done working on our Alphabet letters and sounds and we will soon start practicing writing our numbers.

Our end of the year ceremony is schedule take place on June 5th starting 6:30pm, please stay tuned for more information.

As always we appreciate your continued support in our class celebrations.

Looking forward to the warm weather so that we can have plenty of outdoor fun.
