

# **May 2018 Beechwood Newsletter**

**Dear Parents,**

**The year is winding down and so is the children's introduction to the alphabet. Thanks to the many parents who have supplied snacks that coincide with our Letter of the Week. We have found that a sure fire way to a child's brain is through their stomach! The Letter Bucket, snacks, crafts and word games have helped many of the children get a firm grasp of beginning sounds. All of the children have enjoyed their exploration into language and we're sure you're very proud of them.**

**We hope that you enjoy the projects that will be coming home from this year's art show. The children worked very hard on using scissors and other fine motor skills to accomplish all of these projects. What growth since September!**

**Class pictures will be on May 16<sup>th</sup>. If this isn't your child's usual day, your child is invited to join us from 9:15 – 11:15 so that they are included in the picture.**

**To finish out our year, we will be completing the alphabet, Mother's Day presents, Father's Day presents, and discussing water safety. Our end of the year party will be held in June in our school's courtyard. A sign-up sheet will be posted prior to Memorial Day for the party food and drinks.**

**Thanks again for all of your help in making school a great experience for the children this year.**
