

The Beechwood School

May Newsletter

We hope you all enjoyed the art show! The students worked very hard and were proud to show case their creations! It is hard to believe that the school year is winding down. During the month of May we will continue to learn sight words and blending sounds as well as work on our number recognition. We will also focus on our 5 senses, Mother's Day, insects, and a theme on the Ocean!

Class pictures will be on May 16th. If this is not your child's usual day, your child may join us from 9:00 - 11:15 to ensure they are included in the picture.

Our field trip to PAWS farm will be on May 23rd. A chaperone email will be sent soon. Please send a paper bag lunch with your child that morning (no peanut butter please), we will provide the drinks.

Our class is starting to prepare for our end-of-the-year ceremony, which will be held on the evening on Wednesday, June 6th. We will be posting a potluck sign up on our parent board soon. We have had an amazing school year; we are so very proud of our students and how far they have come this year!

Sincerely,

**Mrs. Reali
Mrs. Farkas**
