October 2018 Newsletter
Class 5

September is now over, and the children have adjusted well to our classroom rules and routines. We are enjoying getting to know your children. We've started show and share, please see the bulletin board to find out which letter your child is scheduled to bring an item for presentation. Please remember to put the item in a non-transparent bag, the idea is to have the children guess what is in there after they have been given the clues.

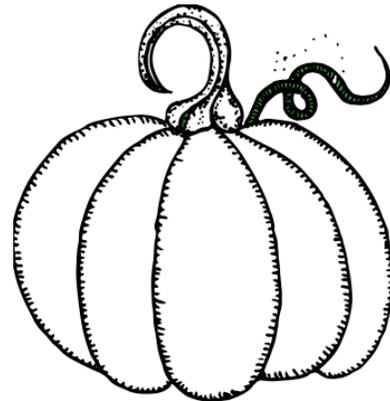

We have already started our Alphabet Journals. The children are excited to learn how to write their letters. They did a great job last month with their colors and shapes. If you would like to see their alphabet journals, please feel free to ask at drop off. We will not be sending them home until the end of the school year.

We already have two sight words under our belts, letter A, for Ant and B for Bat, please continue reinforcing this at home. We had a total of 80 Words on our "B" word list the excitement was real! This helps the children add to their vocabulary, so please help them out with new words with the letter of the week.

We will start learning how to zip up our class jacket so that when winter comes we won't have problems zipping up and we can join the Zipper club!. We will also continue to practice how to tie shoe laces on our class shoes. Pre-K is so much fun!

October Themes/Topics
