

The Beechwood School

October Newsletter

Time flies when you are having fun and September flew by in a flash! Our students have been very busy learning their letters, numbers, and discussing fall. We will continue to work on our letters and numbers focusing on the letters F, P, G, & B.

There are many special days during the month of October. In the beginning of the month we will learn about Christopher Columbus. October is also Fire Prevention Month. We will be learning about fire safety.

We will continue to learn about fall and the changes during the season. We will learn all about pumpkins! How do they grow? What are they like on the inside? How do they taste?

Of course we will be talking a lot about Halloween! Our students will be making spooky art projects to decorate our classroom in preparation for the big day! Please keep an eye out for our Halloween Party Sign-up on the parent information board.

Happy Fall!

Sincerely,

Mrs. Reali and Mrs. Farkas
