

The Beechwood School

November Newsletter

October was a fun and very productive month in our classroom! Our Halloween party was a great success. The students looked amazing in their costumes and enjoyed the snacks sent in from our families! Thank you to all who donated snacks/supplies for the party.

Our class has been very busy and will continue to work on our letters, numbers, and printing. We will also be discussing the election process as Election Day approaches. Thanksgiving will be a main theme during the month of November. We will be preparing for our Thanksgiving feast, please look for a sign-up sheet on our parent board soon.

We are asking all students to bring in 1 white pillowcase, which will be used to make a holiday gift.

Our parent/teacher conferences will be held the week of November 12th. Please find the sign-up sheet on our parent board.

Sincerely,

Mrs. Reali and Mrs. Farkas
