

The Beechwood School

March Newsletter

March Madness has arrived and our little leprechauns have been hard at work!

During this Month we will be celebrating Dr. Seuss's birthday by reading his books and voting on our favorites! By the end of March we will know Beechwood School's favorite Dr. Seuss book!

This month we will also complete our letters but will continue to review, read, and write! We will continue working on our number recognition/writing as well. We will also be discussing St. Patrick's Day and searching for signs of spring!

This is a wonderful time of year; I love to see how far our students have come since September. I look forward to discussing their progress during parent/teacher conferences the week of March 25th. Keep an eye out for the sign-up sheet on our parent board.

Sincerely,

Mrs. Reali

Mrs. Farkas
