

# April

April is here and we start off our month with the last week of our Australia trip. We have had a blast so far and are excited to continue on our trip. You will be able to see all our adventures during our art show on April 10<sup>th</sup> and 11<sup>th</sup>. You are invited to take a look at not only our adventures but other classrooms as well.

The week of April 8-12 we will be learning about plants and how they grow. We will be observing our own root garden in our classroom and also be planting some flowers outside our room. During that week we will be learning about letter blends and playing some fun games to help us practice.

The week of the 15<sup>th</sup> is a short week. We will continue our plant observation and letter blends but we will be having a spring brunch on Wednesday 17<sup>th</sup>. There is a sign up outside the classroom. School will be closed from April 19<sup>th</sup> to the 26<sup>th</sup> for spring break. I hope you all have a wonderful week off.

When we return we will have our Star Wars week in honor of May the 4<sup>th</sup> be with you. During that week we will have a lot of fun sight word games, writing and math with our favorite Star Wars friends.

## **Mark your calendars**

**Class Picture day is May 8th**

**Graduation will be Wednesday June 12<sup>th</sup> at 6:30. More information to follow!!**
