

**Beechwood School**  
**Class 5 Newsletter**  
**March 2020**  
**Mrs. Angevine & Ms. Sandy**

In February, we finished memorizing our addresses and most of the children did a wonderful job! Please continue reinforcing so that they do not forget.

This month we will have a reading marathon and we will see how many books we will be able to read by the last day of the month. As we know, 'reading puts smarts in our brains'. We continue with our alphabet parade and we are almost at the finish line. The children enjoy having a new word to add on the white board and it's always fun counting the words at the end of each week. So far the winning letter is "S" with a record 181 words! It's always uplifting to see them with their thinking caps on, trying to figure the words that start with the sound of the week, it helps with their vocabulary.

We will not be having a party for St. Patrick's Day, but we'll be doing plenty of "green" activities leading up to the day. If you'd like to send in a snack or join us for an activity, please let us know.

Parent /teacher Conferences start the week of March 2<sup>nd</sup> , if you are unable to meet that week please contact me to make special arrangements. I look forward to meeting with each of you.

School will be closed from 10<sup>th</sup> April for Easter and Spring break, we will re-open on April 17<sup>th</sup>.

Thank you so much for making our Valentines party a success. We always appreciate the donations. Thank you also to the parents who have come to read or do projects with us, the children enjoy having "new" teachers from time to time. It breaks the monotony.
