

## Beachwood School March Newsletter

Where did February go? March has arrived and our little leprechauns have been hard at work! We will be celebrating Dr. Seuss's birthday throughout the month by reading his books and making projects.

This month we will continue to work on our letters, blending sounds, and sight words. We will also continue working on our number recognition.

March is Read Across America month! I will be sending information home this week regarding a school wide reading project! During the month of March we will also be discussing St. Patrick's Day as well as searching for signs of spring.

This is a wonderful time of year; I love to see how far our students have come since September. I look forward to discussing their progress at parent/teacher conferences during the week of March 16 - 20. Please see the sign-up sheet on our parent information board.

We will be having a spring party in the beginning of April, more information to follow!
