

THE BEECHWOOD SCHOOL

October Newsletter 2020

It's Been A Great Start!

It's been a great first month! We have really enjoyed getting to know your child. We hope they are having as much fun as we are.

This month our themes will be Fall/Autumn, Community Helpers, Fire Safety, Pumpkins and Bats. We will continue to go over the letters in our name and review our apple colors: red, yellow and green. We will introduce orange, black, and white this month as well as reviewing shapes circle and square. We will continue discussing patterns and counting numbers and learning our ABC'S. Our featured book of the month will be *The Legend of Spookley the Square Pumpkin*.

We will celebrate Halloween on Friday October 30th. On that day your child may wear their costume into the classroom for our class party. Beechwood will not have an outside parade for students/parents this year due to Covid. After our party in the classroom we will take costumes off to go outside to the playground. **Please wear costumes over playground clothes.** We will have a bag for each child to put costumes and items in to bring home.

Our Back to School Night will be **October 14th at 7:30pm in person** (only one parent can attend due to Covid)

I will have a sign up sheet for the Halloween party items at Back to School Night.

Please continue to check Class Dojo for classroom updates.

Thank you,

Mrs. Dee

Miss Amanda
