Class 3 Newsletter

October 2020

Dear Parents,

October is here and the children are beginning to settle into the class routine. The children come in every morning, put their water bottle on the shelf, wash their hands and then hang up their name bear on the attendance board.

This month, we will continue our theme of shapes and colors and we will also begin our Alphabet study. We will learn about jobs and Community Helpers and we will focus on Police Officers and Fire Fighters. In addition, Fire Prevention, Christopher Columbus, Autumn and Halloween activities will round out the month.

We will begin our Star Student program in October. Each child will have their own week to be the Star Student and will have time (about a week) beforehand to complete their posterboard star with Mom and Dad. Each star will go home with instructions and we will post a picture of it on Class Dojo ahead of time for you to see. Feel free to have your child bring in a favorite book, snacks (individually wrapped of course) or toy to show to their classmates during the week it is their turn to be the Star Student. We will also start up Show and Tell. Each child will be given a day of the week to bring in an item that goes with what we are learning about. Keep posted for more information on this!

Our Halloween festivities will be on Friday, October 30. Although it may look different from years before, we will do all we can to make this a fun day. Children are invited to wear their Halloween Costume to school to show their friends. Please put a shopping bag in your child's backpack to put extra costume pieces in as they are taken off so nothing is lost before the big day. We will post a sign up on Class Dojo for party supplies and snacks.

Happy Autumn!
Linda Bier and Tracy Romero
