

October

Beechwood School

Mrs. Rutkowski

September went by very quickly. The children have settled in and we are adjusting to our schedule. They are following all procedures and seem happy to be in class.

We started out with our names and learning the letters in them. We have covered the colors, the shapes, and we started our Unit on Fall and with this will cover the colors of the season, and leaves. Next up will squirrels and acorns.

Now that it is October we will be doing Fire Safety, Pumpkins, and all things Halloween. All of these Units will have the letters associated with them as well as counting and sorting, and recognizing our numbers.

We have been able to go outside everyday with the weather cooperating. Hoping that trend will continue. As fall continues please consider appropriate outerwear and shoes.

I am excited that we will be having a "back to School" night on Tuesday October 13, at 7 pm. It will be a time to visit the classroom and for us to chat. We will spend a few weeks getting the room decorated for you! We are trying to limit number of people in building and ask 1 parent to attend. There will be an information packet. Let me know of any issues with this if you have them.

At that time I will have a halloween sign up for our little party. The halloween "celebration" will be limited to our classroom but we will have costume wearing, special snacks and games. It will be on October 30.

Hope you are utilizing and seeing the class dojo App. It allows me to get messages to you and from you easily and rather quickly. I need to get more in the mindset of pictures of our activities.

With the quick drop off and pick ups we will continue to use back packs in place of cubbies. SO please check them daily. The children are always excited if something is going home.

Thank you for entrusting us and your support.
