

# November

I hope everyone had a fun Halloween! This month will be fun and will go by fast. Veterans Day is November 11<sup>th</sup> so we will be learning about the arm forces and writing thank you cards to our veterans.

**Individual Picture day will be Wednesday 11th.**

Thanksgiving is coming up, the student will be learning about Native Americans and Pilgrims and how the kids their age lived back then and what they did. We will be making out our paints like the Native Americans did and learning about the tribes in our area. We will also be making our own aprons. There **will be a Thanksgiving Feast on Wednesday the 25<sup>th</sup>**. The students will prepare some authentic dishes like popping popcorn off the cob and even making our own bread and butter. There will be a sign up for some additional items on Dojo. School will be closed November 26<sup>th</sup> and 27th

**Conferences will be November 16-20<sup>th</sup>**. I will post a sign up sheet on Dojo. If this week doesn't work for you let me know. The conferences will be in person at the school.
