

THE BEECHWOOD SCHOOL

CLASS 6

DECEMBER 2020

Happy
Holidays!

During the first week of December, Class 6 learned about the letter I/i and learned about Inuits and igloos as a way to reinforce the letter I/i and to prepare for winter! We also found ice on the playground, and the students did a scientific exploration of the ice as a group. This week, we will be studying the letter H/h is for Hanukkah and Happy Holidays, during which we will learn about Hanukkah and Christmas and make thematic crafts. Over the next couple of weeks, we will cover the letter G/g is for gift and J/j is for jolly, and we will be making holiday gifts. All gifts will be sent home by December 18th. We will be having a holiday party on Tuesday December 22nd, so that we can discard of all food before the 23rd (the last day before break), and since some of our students may decide to start their holiday on the 23rd. We will have a relaxed, down-day on the 23rd. I will be sending a sign-up list for the holiday party ASAP on Classroom Dojo. Our holiday party will be a pajama party with breakfast themed treats, such as bagels, muffins and chocolate milk. Thursdays will continue to be our Show and Share day. If you can, please encourage your child to bring in a Show and Share item that begins with the letter of the week: this week is H/h, next week will be G/g and the week before break will be J/j – this has been helping to reinforce the letter recognition and letter sound!

Sincerely,

Ms. Marita
