

THE BEECHWOOD SCHOOL

January Newsletter 2021

Welcome back. We hope everyone had a great winter break! Winter is here so please remember to label any *new* coats, hats or mittens with your child's name. **The windows will remain open in the classroom due to Covid-19, fans will be on. Please keep this in mind when dressing your child. (heat is on)**

January will be a busy month. We will begin with our snow theme, making snowflakes and snowmen, and end the month learning about the stars and the moon. We will review shapes and make shape rockets and learn about Martin Luther King Jr. and Astronauts.

The week of January 25th we will begin Show and Tell. Each child will have an opportunity to bring in something from home to show the class at circle time. ***It must fit in their backpack*** (the item will be returned to their backpack after Show and Tell). The schedule will be sent home next week and will also be posted on Class Dojo. We will continue to go over the letters in our first name and flip our name card to reveal our last names this month. We have fun new songs, and an experiment planned with melting ice. We can't wait to start the New Year!

Best Wishes for a Happy Healthy New Year!

Mrs. Dee

Miss Amanda
