

The Beechwood School

Class 6: Ms. Marita and Ms. Isabella

MARCH 2021

The first week of March we will celebrate Dr. Seuss's birthday by reading numerous Dr. Seuss books, making themed crafts and doing themed math and science activities, such as measurement activities based on *The Foot Book* by Dr. Seuss and *Cat in the Hat* STEM challenges! The second week in March is dedicated to the letter Y/y is for Yak. The third week in March will be dedicated to S/s is for Shamrock, during which we celebrate St. Patrick's Day. The fourth week in March will focus on Z is for Zoo! The last week in March (few days before Spring Break) will focus on P/p is for puddles as we launch into Spring! We will be making Spring crafts and learning about the environmental changes and holidays that are defined by Spring.
