

Beechwood school  
Class 5 Newsletter  
May 2021

Last month we got to the end of the alphabet parade, we are now practicing writing numbers and word formation. We will keep reviewing the alphabet letters and practice forming three letter words.

The children are free to bring a show and share with a letter sound of their choice, it is a great and interesting way of reviewing the sounds and letters.

The last few weeks we have been learning a lot about different kinds of bugs. The children have had so much interest, guess it is a topic dear to their hearts! This week we are busy getting ready for Mother's Day, we will send the gifts by the end of the week.

**Tuesday, May 18th** is our class picture day, all children are invited to bring in their best smiles for the picture session.

This year, we will not hold an in-person closing ceremony. We plan to put together a video of our presentation which will be sent out to you via email. To celebrate, we plan to have a picnic (the date will be communicated later)

**Reminder...**school will be closed for Memorial Day celebrations on Friday May 28th and Monday, May 31<sup>st</sup>.

Mrs. Angevine & Ms. Sandy
