

# THE BEECHWOOD SCHOOL

## June Newsletter 2021

June is here and the end of the school year is near. It is a bittersweet time saying good-bye as we look forward to summer. We have loved sharing our days with your child... Thank you. It has been our pleasure watching each child grow physically, emotionally and academically. We hope your child has had as much fun in the classroom as we have had this year.

In June we will start by studying seashells ,fossils, dinosaurs and volcanos.

We will end our school year talking about summer safety rules: water safety, bike safety, playground safety etc.. Our last craft will be for Father's Day.

We will celebrate summer birthdays the week of June 14th (more info to follow). We will also have an end of the year pizza party!

We would like to thank you for all your help and support this year. We hope you have a wonderful summer and please come visit our classroom next Fall to say hello.

Last Day of School : Friday June 18th

Thank you,
