

**Beechwood School**  
**Class 5 :June 2021**

We cannot believe that its almost time to say goodbye to the amazing class of 2021. Despite all the challenges we face with Covid-19, we are thankful that we had a successful school year.

We have enjoyed spending time with each one of your children. We have seen them grow in every aspect. We even have some loose tooth stories! It is such a joy and privilege to have to share your children.

We plan to hold a picnic on the June 16<sup>th</sup>. On that day, please pack a picnic snack for your child even if do not stay for lunch and if they stay for lunch, please pack the lunch separately. We will have our picnic before the 11:30am pick up.

We are working on our Father's Day gifts which we will send home as soon as they are ready. We also are piecing together a video for keepsake. It will be a memory to treasure as we are making History with a global pandemic.

We would like to thank you again for all your help and support through this exceedingly difficult year. We could not have done it without you!

Mrs. Angevine &Ms. Sandy
