

Can you believe it is the end of the school year already!!! We have learned a lot and have had tons of fun and we will be continuing to do that till the end. The students will also be making a special Father's Day surprise and will continue to work with word families. We will also be getting ready for graduation!

Graduation is Wednesday June 16th at 5:30. We ask that the graduates be at the school by 5:15. Gradation will be in the parking lot so families can spread out. Please bring your own chairs.

The next day, June 17th, we will be having a water day at school. I ask that the students please bring to school bathing suits, waterproof shoes, sunscreen, a towel and a change of cloths. We will also be having a special lunch of make your own pizzas. We will also celebrate our summer birthdays that day. I will put a sign up sheet for the party outside the classroom. It has been a wonderful school year. We wish everyone a fabulous summer.

Please don't hesitate to come visit us next year!!!
