May Newsletter

Can you believe it is May. I Hope everyone had an enjoyable spring break. The class seems to be making a smooth transition upon my return.

As the end of the school year nearly approaches we continue to work on tracing and cutting practices. This month we are discussing Cinco de Mayo, and learning some Spanish. We will also be discussing Mother days and Memorial Day.

We will be having a Red, White and Blue day on May 23 We will have our Fun Friday this day and will provide popsicles. School is closed Friday the 24th and Monday the 27th.

Thank you
