

MAY NEWS

A NOTE FROM MS. BECKY & MS. MADDIE

We can't believe that it's the last full month of the school year! Summer feels like it's right around the corner. April was a short month for us, but we learned about the Environment & Recycling, and Rhyming Words, as well as learning about Spring holidays. We learned about the letters Rr, Jj, Tt, & Pp, and practiced letter formation for uppercase and lowercase letters. It's exciting to see our developing readers rhyming, and putting together letters and sounds to make words. We have also completed a few class books which the children will be able to bring home to share with their family. Last, but not least, each Friday we learned about an artist and completed a project. I hope everyone enjoyed seeing our little artists' works of art. They were so much fun to make! It looks like it's almost time to plan for our End-of-Year program. Please see "IMPORTANT DATES" to put on your calendar.

OUR LEARNING FOCUS

This month we will be exploring the theme **Flowers & Butterflies**, and finishing up **Rhyming Words**. We will be talking about **Mother's Day** and **Memorial Day**, and beginning end-of-year activities. We will finish the alphabet with the letter **Ww**, and will continue to review all the letters. **Math games** make learning fun as we practice adding together two groups of numbers. **Fine motor activities** are often integrated into our games. For our end of school activities starting at the end of May, each student will get to choose a theme day. They may bring in a special themed treat, if they wish, to share with the class.

IMPORTANT DATES

- May 7 Class Picture Day
- May 23 Red, White, & Blue Day
- May 24 & 27 Memorial Day- No School
- May 28 School resumes
