

February Newsletter

February is here, what an exciting month we have up ahead.

This month we will be covering the letters I, V, W, and Q. We will also continue reviewing our first set of sight words: and, can, big. We will be adding The, We, See to our list this month.

This month is also Black History Month so we will be discussing influential figures as well as the importance of Black History Month.

We will be making Valentine's Day crafts & mailboxes in the classroom. We are having a Valentine's Day party in the classroom on 2/14. Keep an eye out for a signup genius for the party.

Also, reminder we will be off 2/20 for Presidents' Day. We will be covering Presidents and doing crafts related to Presidents' Day the rest of that week.

As always feel free to reach out to me on dojo or email (ikrodier@gmail.com) for any questions or concerns!

- Ms. Isabella & Mrs. Kelly
